Cell : 01777127618, 01841550540
Email : nazibmahfuz60@gmail.com

CAREER SUMMARY

RP Ai Solutions | Sept 2021 to Present | Duration : 1+ y
Software Engineer (Team Leader)

Work Area :

- Developing & designing software
- Database design
- Code version controlling
- API endpoint design with swagger & test
- Writing software documentation using markdown & Larecpie. 
- Actively contributing to requirement analysis, development and production deployment phases of a feature.
- Lead a team to develop and deploy an Garments factory HR-Payroll & ERP system using Laravel 8.x, Vue JS, MySQL.

Alesha Solutions Ltd. | June 2021 to Aug 2021 |

Duration : 3 Months

Backend Engineer

Work Area :

- Developed backend API for Instant Salaries mobile app to handle money transfers & application fees between customers using Laravel Web API, MySQL
- Developed Instant Salaries B2B Panel & bug fixing on B2C panel.
- Developed a submodule multi-warehouse inventory system for Alesha Pharma ERP.

** Alesha Solutions is a sister concern of Alesha Holdings Ltd. Due to Alesha Mart's misleading, Alesha Solution collapsed. That's the reason I changed this company shortly.
